LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

(NOTE: See Directory of PIE Projects for contact person and more details.)

SPECIAL EVENTS

1. Hazardous Waste Collection Events for community response to information and education about hazardous waste disposal

MetroCenter YMCA '88-'89

2. For individuals and auto shops following publicized information about disposal of oil and similar auto related wastes

Automotive Service Association of Washington '88-'89

- 3. "Focus on Science" Day an educational event for 12 Seattle-area high schools **YMCA Office for Asia (Earth Corps) '89-'91**
- 4. Wetlands Water Quality Festival

 Mary E. Theler Community Center '89-'91
- "Wonder of Wetlands" Day
 Collins Elementary Parent Teacher Association '89-'91
- 6. "Festival of the River" **Stillaguamish Tribe '89-'91**
- 7. Drama presentation by Bainbridge Island elementary school students (water quality theme)

 Theater In the Wild '89-'91
- 8. Field trips on Puget Sound for minority and learning disabled school children

 The Resource Institute '88-'89
- 9. Wetlands Weekend (inaugurating new wetlands features at Woodland Park Zoo) Woodland Park Zoological Society '88-'89
- 10. Waste Information Network (WIN) Trade Fair (automotive, small boat yards and repair, photo labs, and graphic artists)

Municipality of Metropolitan Seattle and Independent Business Association '88-'89

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

SPECIAL EVENTS (continued)

11. Boater Information Days at marinas (for distribution of information on effects of boaters on Puget Sound waters)

Washington Public Ports Association '88-'89

- 12. Thurston County Water Festival (at Wooden Boat Fair)

 Thurston County Office of Water Quality '88-'89
- 13. Puget Sound Promoter Week
 Pierce County Department of Utilities '88-'89
- 14. Poster and coloring contests on water quality themes
 City of Lake Stevens '88
- 15. Stream Team Family Days and day camps
 City of Olympia Department of Public Works '91-'93
- 16. Longboat visits around Puget Sound with water quality content **Pure Sound Society '91-'93**
- 17. Act Green: A regional conference for theater arts industry on environmentally-sound practices and products

Theater in the Wild '91-'93

- 18. Watershed Awareness Day, a public educational program at an area mall **North Cascades Institute '91-'93**
- 19. Experience day for high school students in YMCA Earth Corps, program on scientific aspects of environment and focus on wetlands

YMCA Earth Corps '91-'93

- 20. Poster contest for schools
 - Central Washington University '89-'91
- 21. Theater performances around a water quality theme in the Quilceda/Allen Watershed Seattle Public Theater '93-'95
- 22. Planted trees and shrubs along stream banks and erected fencing along streams in Skagit County Skagit Conservation District '93-'95

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

SPECIAL EVENTS (continued)

- 23. Host South Sound Student Water Quality Congress **Budd/Deschutes Project GREEN '94-'95 & '95-'96**
- 24. Demonstrations on proper pump-out refueling techniques **Puget Soundkeeper Alliance '95-'96**
- Stream restoration, Storm drain stenciling, Adopt-A-Trail for developmentally disabled community
 Christine Ranta Engelhardt '95-'96
- 26. Drama presentations of *The Incredible Undersea Trial of Joseph P. Lawnboy* for inner-city youth **Harlequin Productions '95-'96**
- 27. River Gone Run Dramatic presentations

 Jamestown S'Klallam Tribe '96-'97
- 28. Nature Bowl environmental competition for middle school students

 Nature Center at Snake Lake '96-'97
- 29. *"Tide Pool Theater"* presentation/hands-on marine science activities for inner-city youth **Seattle Aquarium '96**
- 30. Ship Harbor Interpretive Trail Plan Open House Anacortes Parks Foundation '98-'99
- 31. Froggy Bottoms Wetland Revegetation Days and Trail/Kiosk dedication ceremony City of Port Townsend '98-'99
- 32. Shoreview Park Trail Dedication and Revegetation Celebration City of Shoreline '98-'99
- 33. Dungeness Bay Watchers volunteer recognition ceremony
 Clallam County Department of Community Development '98-'99
- 34. Community Revegetation Day on the North Fork of the Samish River **Burlington Edison School District '98-'99**

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

SPECIAL EVENTS (continued)

- 35. San Juan Stewardship Network Stewardship Fair Friends of the San Juans '98-'99
- 36. Variety of habitat restoration projects in Newaukum Creek with students and community volunteers
 - Mid-Sound Fisheries Enhancement Group '98-'99
- Variety of habitat restoration events for community groups (planting vegetation at new sites, maintaining restoration projects and working to resolve fish passage barriers)
 Nooksack Salmon Enhancement Association '98-'99
- 38. Community Watershed Celebration at Mee Kwa Mooks Park Pathfinder Elementary School PTSA '98-'99
- 39. Community revegetation days at Pritchard Beach Reserve Friends of Pritchard Beach Park '98-'99
- 40. Ongoing volunteer opportunities for fence building, bridge building and stream buffer restoration efforts, watershed tour and stream naming/project dedication ceremony

 Puget Sound Restoration Fund '98-'99
- 41. Student lead salmon interpretive talks for general public **South Sound GREEN '98-'99**
- 42. Estuary and historic shoreline tours and shoreline restoration event by "Sound Stewards" also, volunteer recognition ceremony

 South Sound YMCA '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

TRAINING, WORKSHOPS, SEMINARS

- 1. Recruiting, training, and certifying 60 bay Watchers

 Washington State University Cooperative Extension/Clallam County '88-'89
- Wetlands stewardship training project
 WSU Cooperative extension/King County '89-'91
- 3. Public meetings on water quality issues for Vashon Island residents Vashon School District '88-'89
- 4. Oil Spill Response training workshops
 Islands Oil Spill Association '88-'89
 Northwest Emergency Management Association '89-'91
- 5. Training citizens to monitor water quality in two streams and a local harbor **Vashon School District '88-'89**
- 6. Training tribal members and neighboring public in the role of the tribe in watershed protection **Nooksack Tribe '89-'91**
- 7. Leadership Weekend—a training program for youth presented by experts in youth leadership and environmental studies

 YMCA Office for Asia (Earth Corps) '89-'91
- Workshops for building/development/real estate industry on wetland and stormwater management and appropriate procedures
 Building Industry Association of Washington/Washington Association of Realtors '89-'91
- 9. Bi-weekly summer teaching sessions on water quality for young people in Jefferson County **Jefferson County Planning and Building Department '88-'89**
- Farm Animal Resource Management (FARM) Project; "kitchen meetings" for peer education on farm management practices
 Washington State Dairy Federation '88-'89
- 11. Substitute teacher and supplies funding for public school teachers to participate in in-service training programs that focus on water quality and Puget Sound

 Education Service District #189 '89-'91

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

TRAINING, WORKSHOPS, SEMINARS (continued)

- 12. Workshop series on Moxlie/Indian Creek Watershed City of Olympia '88-'89
- 13. Workshop series addressing stormwater control and use of grass-lined swales as a surface water management technique

National Association of Industrial and Office Parks '89-'91

- 14. Field trip for business representatives; water quality training

 Pacific Marine Research '89-'91
- 15. Workshops with fisheries enforcement officials on different cultural perspectives and how to communicate effectively with Southeast Asians about regulations and enforcement and companion workshops with refugees about shellfish limits, seaweed harvest regulations, and red tide warnings

Nisqually Reach Nature Center '88-'89

16. Training for citizens on rules and regulations affecting water quality and wildlife habitat and follow-up service time

Pilchuck Audubon Society '88-'89

17. Training workshops on best management practices for the shipyard industry (focus on pollutant discharges)

Puget Sound Shipbuilders Association '89-'91

- 18. Training for citizen advisory committees in two watersheds **Snohomish County Department of Public Works '88-'89**
- 19. Summer program of classes, lectures, labs, and related activities focused on water quality for students

Pacific Lutheran University (Mathematics, Engineering, and Science Achievement Program) '88-'89

- 20. Citizen Action Training School sessions for real estate community **Suquamish Tribe '88-'91**
- 21. Shipboard summer class on water quality issues

 Marine Science Society of the Pacific Northwest '88-'89

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

Training, Workshops, Seminars, continued

- 22. One-to-one consultation/training in pollution control faced by small businesses Small Business Center for Education '89-'91
- 23. One-to-one consultation/training for dry cleaners industry Washington State Dry Cleaners Association '89-'91
- 24. Training of park naturalists in water quality issues City of Bellevue Parks and Recreation '88-'89
- 25. Six workshops to train Stream Team volunteers
 City of Bellevue Storm and Surface Water Utility '88-'89
- 26. Recruiting and training citizens as environmental representatives to work with professionals in forest management

Washington Environmental Council '88-'89

- 27. Workshops on the process to evaluate the Northern Puget Sound National Marine Sanctuary Friends of the San Juans '89-'91
- 28. Workshops for creating a hazard-free community **Metrocenter YMCA '89-'91**
- 29. Training workshops for septic system pumpers and repairers
 Thurston County Division of Environmental Health '91-'93
- 30. Seminar for print and graphic arts industry members on choices of products and processes and water quality protection in the Puget Sound region

 American Institute of Graphic Arts, Seattle Chapter '91-'93
- 31. "Business Partners for Clean Water" workshops for five targeted business groups City of Bellevue Storm and Surface Water Utility '91-'93
- 32. Training workshops on wetlands preservation techniques for land trusts **Capitol Land Trust '91-'93**
- 33. Teacher training for stream monitoring and use of creek in Greywolf School water quality learning center

Clallam County, Department of Community Development '88-'89

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

TRAINING, WORKSHOPS, SEMINARS (continued)

- 34. Canal Cleaners—house-to-house workshops on septic system repairs and maintenance for shoreline and upland homeowners
 - Mason County Department of Health Services '91-'93
- 35. Workshops for real estate developers and related professionals on wetland values and functions **National Association of Industrial and Office Parks '91-'93**
- 36. Workshops for boatyard owners on the NPDES general permit process and appropriate ways to manage boat yards
 - Northwest Marine Trade Association '91-'93
- 37. Training seminars for citizens and developers on drainage and erosion control City of Olympia Department of Public Works '91-'93
- 38. Citizen training workshops on NPDES program, how to review and participate knowledgeably **People for Puget Sound '91-'93**
- Water Watchers training for Kitsap citizensPublic Utility District #1, Kitsap County '91-'93
- 40. Component of Northwest Dairy short course on animal waste management and water quality WSU Cooperative Extension/Whatcom County '91-'93
- 41. Training for teachers and community volunteers on school and community-based water quality data collection
 - Point Roberts Heron Preservation Committee '91-'93
- 42. In-service training for teachers on school-based integrated environmental curriculum focused on local waterways
 - Shelton School District '91-'93
- 43. Small Farm short course, a one-day conference/seminar on environmentally-sound farming practices (Sound Farmers and WSU Cooperative Extension)

 Joy Garitone '91-'93
- 44. Two field-day workshops for farmers at a demonstration farm **Joy Garitone '91-'93**

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

TRAINING, WORKSHOPS, SEMINARS (continued)

- 45. In-service training for elementary and secondary teachers to support implementation of the environmental education mandate and promote Puget Sound water quality protection Marine Science Society of the Pacific Northwest '91-'93
- 46. Environmental education teacher-training program for seven school districts with watershed focus for grades 4, 5 and 6

 North Cascades Institute '91-'93
- 47. Community workshops on water quality and relating the Puget Sound Management Plan goals with Jefferson County's growth management planning process

North Olympic Environmental Resource Center '91-'93

48. Sea Scout workshops on water quality and marine education, aboard a yawler and at a marine science center

Wooden Boat Foundation '91-'93

49. Watershed education training (and action programs) for high school students involved in the Earth Corps Program

YMCA Earth Corps '91-'93

50. Training for teachers and volunteers involved in multi-cultural youth after-school environmental program

Southwest Youth & Family Services (White Center Youth Task Force) '91-'93

- 51. Environmental training for teachers as part of all-day conference City of Seattle, Office for Education '93-'95
- 52. Citizen Action Training for Superfund
 Olympia View Environmental Review Council '93-'95
- 53. Brought together representatives from over 11 agencies to develop a plan for preserving wetlands in Skagit County

Economic Development Association of Skagit County '93-'95

Workshops to train volunteers to protect and clean-up shellfish beds in Pt. Susan Bay **Pilchuck Audubon Society '93-'95**

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

TRAINING, WORKSHOPS, SEMINARS (continued)

- 55. Teacher training for stream monitoring and watershed education **Adopt-A-Stream Foundation '93-'95**
- 56. Intensive workshop for gifted students and teachers on watershed ecosystems **Centrum '93-'95**
- Workshops for grocers to educate them about BMPs and various environmentally benign business practices
 Larry's Markets '93-'95
- 58. Workshops and demonstrations of model garden practices

 Environmental Resource Services '93-'95
- 59. Packet-Water Ecology Workshop **Orca Council of Camp Fire '94-'95**
- 60. Workshops for docents addressing water quality in Elliot Bay/Puget Sound Seattle Aquarium Docents '94-'95
- 61. Clean/Green Boating Workshops
 Puget Soundkeeper Alliance '95-'96
- 62. Educational seminars on *Spartina* **Swinomish Indian Tribal Community '95-'96**
- 63. Community outreach sessions on oil spill response/prevention **Islands' Oil Spill Association '95-'96**
- 64. Thirteen-week BMP training session for rural landowners Mason County Conservation District '95-'96
- 65. Watershed education for teachers

 Blue Mountain Demonstration Forest '95-'96
- 66. "Our Water World" workshops for elementary students
 Centrum '95-'96

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

TRAINING, WORKSHOPS, SEMINARS (continued)

67. "Water-Ability" & "Clean & Green" workshops for developmentally disabled and their caregivers

Christine Ranta Engelhardt '95-'96

- 68. Workshops on personal choices and their impact on water quality 1000 Friends of Washington '95-'96
- 69. Workshops on BMPs **Bainbridge Island Grange '95-'96**
- 70. Watershed, shellfish, habitat enhancement workshops for residents of Shinglemill, Fisher and Ellis Creek

Vashon Maury Island Land Trust '95-'96

- 71. 8-week Native Plant Stewardship training Washington Native Plant Society '95-'96
- 72. "With a Water View: Ecology, Economy, Community"

 Washington State University Cooperative Extension Jefferson County '95-'96
- 73. Series of "hands-on" workshops on gardening for wildlife, wetland restoration, bird habitat **Jefferson Land Trust '95-'96**
- 74. "Business Partners for Clean Water" training for EDASC staff and advisory committee members

Economic Development Association of Skagit County '96-'97

- 75. "Living on the Coast" workshops for coastal property owners Coastal Geologic Services '96-'97
- 76. "Watershed Leadership Training" for elementary educators **Peninsula School District '96-'97**
- 77. "Neighborhood Stewards" watershed training for community members **RE Sources '96-'97**
- 78. "Stilliguamish Summit" watershed educational forum for elementary students **Written Edge '96-'97**

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

TRAINING, WORKSHOPS, SEMINARS (continued)

- 79. "Business in the Blue" on-site septic system operation and maintenance workshops for residents and food service professionals

 WSU Coop. Extension, Mason Co. '96-'97
- 80. "Deschutes River Stewardship Project" bioengineering, on-site septic, flood preparedness and water quality workshops for riverfront landowners **Deschutes River Association '96-'97**
- 81. Water monitoring, environmental education for school district personnel and students **Bainbridge Island School District '96-'97**
- 82. "Alternatives to Pesticides" workshop for landscape professionals **Seattle Tilth '97**
- 83. Public Benefit Rating System (PBRS) workshops to encourage wetland preservation **Seattle Audubon Society/WETNET '96-'97**
- 84. "Series of Citizen Shoreline Inventory" and "Basic Beach" training workshops **Adopt a Beach '98-'99**
- 85. Farm tours to demonstrate environmentally-sound horsekeeping practices, four-week classroom series and day-long pasture workshop

 Alayne Blickle '98-'99
- Wetland vegetation and wildlife training for Ship Harbor Interpretive Trail Plan volunteers and Educators' Workshop
 Anacortes Parks Foundation '98-'99
- 87. "Puyallup River Watershed Education Program" two-week workshop for educators and ten-week volunteer training course.

 Citizens for a Healthy Bay '98-'99
- 88. "Wetland and Native Plant Steward Training Course" for citizen volunteers

 City of Port Townsend '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

TRAINING, WORKSHOPS, SEMINARS (continued)

89. Watershed education classes and Shoreview Park/Boeing Creek hikes for pre-school children through adults

City of Shoreline '98-'99

90. Dungeness Bay Watchers training course

Clallam County Department of Community Development '98-'99

91. "Living with the Coast" workshops with field trips for coastal landowners

Coastal Geologic Services '98-'99

92. Training courses for homeowners on best management practices for monitoring and maintenance of home on-site sewage systems

Frank Family Foundation '98-'99

93. Water quality monitoring training and ongoing assistance for Watershed Education and Restoration Program for teachers and students through the Seattle Aquarium staff and their Mobile Field Lab

Mid-Sound Fisheries Enhancement Group '98-'99

94. Workshops on the Timber, Fish and Wildlife Salmonid Spawning Gravel Composition Survey for stream habitat monitoring projects using training video and instructional booklet NW Natural Resources Technology Consortium at Grays Harbor Comm. College '98-'99

95. Training workshops to teach teachers about the development and management of Shellfish Science Clubs

Pacific Shellfish Institute '98-'99

96. "Wetland to Sound" workshops for adults and students in southeast Seattle to introduce them to Pritchard Beach Reserve; also train Friends of Pritchard Beach Park members to become workshop leaders

Friends of Pritchard Beach Park '98-'99

97. Stream monitoring training events for volunteers on Manzanita Creek **Puget Sound Restoration Fund '98-'99**

98. Workshop to train teachers in the use of the Water Web; also provide pre-trip and post-trip class presentations on intertidal ecology

RE Sources '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

TRAINING, WORKSHOPS, SEMINARS (continued)

- 99. Community on-site sewage system workshops
 Seattle King County Department of Public Health '98-'99
- 100. "Salmon Come Home" teacher training institute **South Sound GREEN '98-'99**
- 101. Workshops to train citizens to become "Sound Stewards" South Sound YMCA '98-'99
- 102. On-site septic system workshops conducted on Vashon/Maury islands for homeowners **Tech Assist Plus '98-'99**
- Workshop with field trip (as supplement to "Streamside Living Guide" for homeowners)

 Thurston County Water and Waste Department '98-'99
- 104. Series of stream ecology and land conservation presentations to educate residents about preserving Shinglemill Creek
 Vashon Maury Island Land Trust '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

PROGRAMS

- Oil Spill Response (community network for oil spill response)
 Islands' Oil Spill Association '88-'89
 Northwest Emergency Management Association '89-'91
 Vashon Island Bird Rescue Association '91-'93
- Establishing an Adopt-a-Wetlands program
 Snohomish County Department of Public Works '88-'89
- 3. Public presentations on water quality issues, using video produced by students Federal Way Water and Sewer Citizen Advisory Committee '89-'91
- 4. Community-wide involvement program for reducing pollution from stormwater runoff **Olympia School District #111**, Roosevelt Elementary School **'89-'91**
- 5. Self-guided Discovery Tours (portable signboards adaptable to area served by interpretive tours) **Puget Sounders '89-'91**
- 6. Citizen Clean Water Network (focus on point source water pollution issues)
 Sierra Club '89-'91
- 7. Adding a water quality component to established day camp program Snake Lake Nature Center, **Metropolitan Park District of Tacoma '88-'89 City of Olympia '91-'93**
- 8. Storm drain stenciling programs
 Quartermaster Harbor '89-'91
 City of Port Orchard '89-'91
 City of Bellevue Storm and Surface Water Utility '88-'89
 Skagit Valley YMCA '91-'92
 City of Lake Stevens '88-'89
 - Port of Port Townsend '91-'93
- 9. Public information program on impact of auto-related businesses on the water quality Thurston County '88-'89
 Trout Unlimited '89-'91
- 10. Environmental studies projects with Bellevue Community College Students City of Bellevue Parks and Recreation '88-'89

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

PROGRAMS (continued)

11. After-school training and monitoring program for multi-cultural youth to improve water quality in upper Salmon Creek Basin

Southwest Youth & Family Services (White Center Youth Task Force) '91-'93

12. Planting wetlands vegetation at a Superfund cleanup site **Pure Sound Society '88-'89**

13. Establishment of demonstration farms for implementation of best management practices for small farms

Lake Marcel Community Club '88-'89

- 14. Stream and Wildlife enhancement at the Bellefields Nature Park City of Bellevue Parks and Recreation '88-'89
- 15. Stream Team program development for volunteer service in water quality monitoring and enhancement

City of Bellevue Storm and Surface Water Utility '88-'89

- 16. Public information campaign on watershed protection and citizen action City of Bellevue Storm and Surface Water Utility '88-'89
- 17. Student and citizen water quality monitoring and water watchers' programs

Port Townsend Marine Science Center '88-'89

Green River Community College '88-'89

Adopt a Beach '88-'89, '89-'91

Pure Sound Society '88-'89

Chautaugua Northwest '88-'89, '89-'91

WSU Cooperative Extensions '88-'89, '89-'91

PUD #1, Kitsap County '89-'91, '91-'93

Island County '91-'93

Greater Hansville Chamber of Commerce '89-'91

Point Roberts Heron Preservation Committee '91-'93

Steilacoom Historical School District '91-'93

Pierce County Utilities '88-'89

Clallam County '91-'93

Vashon School District '88-'89

Seattle University '91-'93

Wooden Boat Foundation '91-'93

YMCA Earth Corps '91-'93

North Kitsap School District '91-'93

Clallam County Department of Community Development '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

PROGRAMS (continued)

- 18. Soundkeeper program (environmental ombudsman) **Puget Sound Alliance '89-'91**
- 19. Network development: cadre of citizens interested in working for water quality **Thurston County '88-'89**
- 20. Proposals for public purchases of wetlands for protection San Juan Preservation Trust '88-'89
- 21. Four tours of Drayton Harbor for target groups City of Blaine '91-'93
- 22. Educational programs/presentations for key audiences in the Boundary Bay area **Point Roberts Heron Preservation Committee '91-'93**
- 23. Sound Wisdom a storytelling program on water quality for grades 3-5 in Northeast Thurston County schools; includes two evenings of presentations for parents and community **Jana Dean '91-'93**
- 24. Sound Farmers, development of the organization as a focus for networking and promoting environmentally responsible farming practices among small farmers in Kitsap County **Joy Garitone '91-'93**
- 25. Presentation series educating local organizations about Puget Sound Management Plan goals and their relationship to the Jefferson County growth management planning process

 North Olympic Environmental Resource Center '91-'93
- 26. Water quality education and cleanup program for minority 8th grade girls Seattle University '91-'93
- Bi-county cooperative project to reduce adverse water quality and human health impacts due to failed sewage systems
 Snohomish Health District with Thurston County Division of Environmental Health '91-'93
- 28. Field study wetlands tours and wetlands education for developers in Whatcom County Whatcom County Planning Department '91-'93

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

PROGRAMS (continued)

- 29. Field projects for Kopachuck Middle School students with local fisheries cooperative on fisheries enhancement projects; follow-up peer teaching to elementary students

 Peninsula School District, Kopachuck Middle School '91-'93
- 30. Educating at-risk youth by taking them on rowing trips around Puget Sound in wooden dories **Behavioral Health Resource '93-'95**
- 31. Action program that educated 7th graders in how to preserve wetlands Friends of the Forest '93-'95
- 32. Volunteer wetland monitoring program at Ship Harbor Interpretive Preserve during development of trail plan

Anacortes Parks Foundation '98-'99

- 33. "Puyallup River Watershed Education Program" to educate and involve citizen volunteers in specific watershed protection efforts of various organizations

 Citizens for a Healthy Bay '98-'99
- 34. "Froggy Bottoms Wetland Restoration Crew" City of Port Townsend '98-'99
- 35. Two series of "Watershed Keepers" docent training programs City of Shoreline '98-'99
- 36. Water monitoring program for fourth through eighth grade students on the North Fork of the Samish River

Burlington Edison School District '98-'99

- 37. San Juan Stewardship Network
 Friends of the San Juans '98-'99
- 38. "Watershed Education and Restoration Program" for students and teachers from five West Seattle Schools

Mid-Sound Fisheries Enhancement Group '98-'99

39. "Water Web" marine monitoring program for students **RE Sources '96**

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

PROGRAMS (continued)

- 40. Kennedy Creek Management Committee for Kennedy Creek trail and salmon spawning area **South Puget Sound Salmon Enhancement Group '98-'99**
- 41. "Sound Stewards" program
 South Sound YMCA '98-'99
- 42. Stream monitoring program for Shinglemill Creek Vashon Maury Island Land Trust '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

CURRICULUM GUIDEBOOKS/TEACHER MATERIALS

- Webelos Natural Activity Badge
 Pacific Western Services (Boy Scouts) '90-'91
- 2. Exploring Your Neighborhood—Wolf Achievement 7, Bear Achievement 5 and 6 Pacific Western Services (Boy Scouts) '90-'92
- 3. Trail To The Great Outdoors—Wise Old Willy Pacific Western Services (Campfire) '90-'92
- 4. Boy Scouts Fish and Wildlife Management/Leader Curriculum Material Pacific Western Services (Boy Scouts) '90-'92
- 5. Trail to the Great Outdoors—Project Good Earth **Pacific Western Services (Campfire) '90-'92**
- 6. Water Quality and Environmental Program (Torch Bearer in Environmental Issues)

 Pacific Western Services (Campfire) '90-'92
- 7. Leader Preparation Topics for Campfire, Environmental Programs Pacific Western Services (Campfire) '90-'92
- Turning the Tide at Rosario Beach (Marine Ecosystem Environmental Curriculum for Middle School Students)
 Fathom That! Creations (Judy Friesem) '90-'92
- 9. Sound Experience—Teacher/Group Leader Notebooks
 Poulsbo Marine Science Center '88-'89
- 10. The Resource Book (For Leaders)

 Pacific Western Services (Girl Scouts) '90-'92
- 11. Water Quality and Water System—Environmental Activity Handbook Pacific Western Services (Girl Scouts) '90-'92
- 12. What a Waste—Environmental Activity Handbook Pacific Western Services (Girl Scouts) '90-'92

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

CURRICULUM GUIDEBOOKS/TEACHER MATERIALS (continued)

- 13. Puget Sound Habitats—Environmental Activity Handbook Pacific Western Services (Girl Scouts) '90-'92
- 14. Puget Sound Project (Teacher Materials)
 Poulsbo Marine Science Center (with Port Townsend Marine Science Center & Hood Canal Coordinating Council) '88-'89
- 15. Voices of Puget Sound (Using theater to teach Watershed protection, interdisciplinary) grades 4 and 5

Poulsbo Marine Science Center (with Port Townsend Marine Science Center & Hood Canal Coordinating Council) **'88-'89**

16. Puget Sound Project : A Salmon in the Sound Middle School/Junior High

Poulsbo Marine Science Center (with Port Townsend Marine Science Center and Hood Canal Coordinating Center) '88-'89

17. Puget Sound Project : Discovering Puget Sound Grades 4-6

Poulsbo Marine Science Center (with Port Townsend Marine Science Center and Hood Canal Coordinating Center) **'88-'89**

18. Puget Sound Project: The Changing Sound Grades 9-12

Poulsbo Marine Science Center (with Port Townsend Marine Science Center and Hood Canal Coordinating Center) '88-'89

- 19. Earth Corps Leadership Program—Training Packet YMCA Earth Corps '90-'91
- Wetland Wonders (Wetland Curriculum)
 Grades 4 and 5
 Metropolitan Park District of Tacoma '90-'92
- 21. Collins Elementary School—Environmental Study Area Activity Guide Collins Elementary PTA '90-'92

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

	Point Roberts Heron Preservation Committee '92-'93
	All Grades
22.	Boundary Bay Environmental Education Resource Package

- 23. Mathematics, Engineering, and Science Achievement Course Materials Pacific Lutheran University (MESA Program) '88
- 24. Storm Water and Wetlands Policy Workshop (also see handbook)

 Building Industry Association of Washington and the Washington Association of Realtors '90-'91
- 25. Thurston County Septic Tank Pumpers Manual
 Thurston County Dept. of Public Health and Social Services, Division of
 Environmental Health '92-'93
- 26. Beach Watchers Resource Manuals (Volumes 1 and 2)

 Island County/Washington State University Cooperative Extension '92-'93
- 27. A manual presenting appropriate construction practices and state regulations pertaining to work at construction sites.
 - Associated General Contractors of Washington '88-'89
- 28. Training manual for rescue of oiled birds; oil spill contingency plan for San Juan County. **Islands Oil Spill Association '88-'89**
- 29. Adaptations of standard monitoring methods & techniques for elementary, junior high & high school levels.
 - **Green River Community College '88-'89**
- 30. "Bay Watchers Course Outline" (reference manual)WSU Coop Ext/The Clallam County Water Quality Program '88-'89
- 31. Curricula for community college & high school classes Whatcom Community College '88-'89
- 32. Informational flyer for parents; water quality curriculum for day camps
 Snake Lake Nature Center; Metropolitan Park Dist of Tacoma '88-'89

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

CURRICULUM GUIDEBOOKS/TEACHER MATERIALS (continued)

33. Three curriculum guides for teachers; kits for elementary teachers containing everything they need for the program

Marine Science Center, Poulsbo '88-'89

34. Curriculum for children w/special needs

The Resource Institute '88-'89

35. Curriculum guidebooks

Vashon School District '88-'89

36. Water quality curriculum

Pacific Lutheran University's MESA Program '88-'89

37. A field trip guide for teachers

Marine Science Society of the Pacific Northwest '88-'89

38. An Adopt-A-Wetlands Guide

Snohomish County '88-'89

39. Programs, materials, teacher workshop for schools; 4 evening classes for scuba divers; samples on file, curriculum materials w/curriculum collection

Fathom That! Creations '90-'91

- 40. Reprint of Puget Sound projects K-12 curriculum-copies in curriculum collection **Marine Science Society '90-'91**
- 41. Wetland program for 3 & 4 graders (samples & text in file)

Metropolitan Park District of Tacoma '90-'91

42. Education & curriculum materials (drafts on file)

Nooksack Tribe '90-'91

43. Curriculum materials in training for industrial worker volunteers for hazardous material spills.

Drafts on file; materials avail from contractor

North West Emergency Mgmt Association '90-'91

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

- 44. Curriculum and resource materials on water quality for: campfire; boyscout; and girlscouts in Puget Sound region; materials in curriculum collection **Pacific Western Services '90-'91**
- 45. Teachers manual for using drama to teach water quality & other environmental issues
 Theater in The Wild '89-'91
- 46. Wetlands training curriculum (publication collection)
 WSU/King County Extension '90-'91
- 47. School Curriculum Units; Kirkland: A hazard free community Metro Center YMCA '90-'91
- 48. Two water quality activity booklets for students **Meeting Ground '88-'89**
- 49. Training and resource materials for land trust workshops on wetland preservation techniques Capitol Land Trust '91-'93
- 50. Water quality curriculum development process and materials focusing on local watershed **Shelton School District '91-'93**
- 51. Boundary Bay ecosystem resource kits for teachers

 Point Roberts Heron Preservation Committee '91-'93
- 52. Classroom materials and teacher's guide for implementation of the Environmental Education Resolution with focus on local watershed

 North Cascades Institute '91-'93
- 53. Teacher training workshop related to Kopachuck Middle School project with local fisheries cooperative

 Peninsula School District, Kopachuck Middle School '91-'93
 - 7 1
- 54. Study materials specific to wetland located beside school **North Kitsap School District, Kingston Jr. High '91-'93**
- 55. Resource guide for teachers
 Pilchuk Audubon Society '93-'95

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

- 56. Teacher's Guide: Dungeness River Natural History Project **Jamestown S'Klallam Tribe '93-'95**
- 57. Watershed Restoration Teaching and Activity Guide North Cascades Institute '93-'95
- 58. Classroom materials for shellfish education North Canal Shellfish Coalition '93-'94
- 59. Study Guides 4-12 Curriculum Harlequin Productions '93-'94
- 60. Integrated K-12 environmental education curriculum **Bainbridge Island School District '94-'95**
- 61. Environmental Science Technology: Water Quality Curriculum Franklin Pierce School District '94-'95
- 62. Paper-Ecology Camp Curriculum
 Orca Council of Camp Fire '94-'95
- Native American Science Outreach Network: Resource Guide for Teachers University of Washington Department of Chemistry '94-'95
- 64. Adult Steward Training Curriculum which include a guide and manual Southwest Community Center Advisory Council '94-'95
- 65. Curriculum with practical applications: graphing, measuring, lab experience and computer software on how to monitor pollution sources

 University of Washington Department of Chemistry '94-'95
- Volunteer curriculum regarding proper use and care of on-site sewage systems

 Washington State University Cooperative Extension Whatcom County '94-'95
- 67. Science Fields Studies programs grades (1-5)

 Monroe School District '95-'96

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

- 68. Program manual for professionals working with at-risk youth **Behavioral Health Resources/Sound Opportunities '95-'96**
- 69. Guidebook for teaching environmental education to the developmentally disabled population Christine Ranta Engelhardt '95-'96
- 70. Watershed education curriculum for middle school students

 Blue Mountain Demonstration Forest '95-'96
- 71. Environmental education curriculum for elementary students **Tahoma School District '95-'96**
- 72. Lesson plans about water quality and integrated pest management for 5th and 6th grade **Bainbridge Island School District '98-'99**
- 73. "Puyallup River Watershed Education Program" curriculum guide for educators and training guide for citizen volunteers

 Citizens for a Healthy Bay '98-'99
- 74. "Wetland and Native Plant Steward Training Course" materials for volunteers working to revegetate Froggy Bottoms Wetland
 City of Port Townsend '98-'99
- 75. Water Quality Curriculum for schools City of Shoreline '98-'99
- 76. Dungeness Bay Water Watchers' volunteer marine sampling program educational notebook Clallam County Department of Community Development '98-'99
- 77. Training curriculum, homeowners' manual and training sessions that emphasize best management practices for monitoring and maintenance of home on-site sewage systems **Frank Family Foundation '98-'99**
- 78. Teacher training materials for the "Watershed Education and Restoration Program", a water monitoring/habitat restoration program with schools in West Seattle

 Mid-Sound Fisheries Enhancement Group '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

- 79. "Water Web" curriculum **RE Sources '98-'99**
- 80. Salmon education materials for teachers and students **South Sound GREEN '98-'99**
- 81. "Sound Stewards" docent program training notebook South Sound YMCA '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

T-SHIRTS

- 1. Lake Stevens Aquafest City of Lake Stevens '88
- 2. Household Hazardous Waste Round-up Metro YMCA '89
- 3. Sound Experience
 Poulsbo Marine Science Center '88-'89
- 4. Stream Team T-shirts
 Bellevue Storm & Surface Water Utility '88-'89
- 5. "Olalla Creek Project" T-shirts
 Olalla Grange '94-'95
- 6. "Water Friendly" T-shirts
 Christine Ranta Engelhardt '95-'96
- 7. "Froggy Bottoms Wetland Restoration Crew" City of Port Townsend '98-'99
- 8. "Watershed Keepers"
 City of Shoreline '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

AUDIO TAPES

1.	Dragon Rap
	Port Townsend Marine Science Center '90-'92

- 2. Some Water Awareness Songs (Draft) **Meeting Ground '88**
- 3. Public Service Radio Announcements (Series 1 and 2) **Environmental Perspectives '89-'91**
- 4. Songs that Celebrate Living In a Watershed **Meeting Ground '89**
- 5. Earth Watch Report
 Environmental Perspectives (3 minutes) '90-'91
- 6. Series of 13 radio feature broadcasts on water quality issues in the northern Puget Sound and transboundary area

 Environmental Perspectives '91-'93
- 7. Audio tape of Sound Wisdom stories (storytelling program for grades 3-5)

 Jana Dean '91-'93

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

BROCHURES

1-3. Hazardous Waste Removal Information Brochures for:
Small Auto Repair and Auto Body Shops
Small Print Shops, Photo Labs, and Graphic Arts Firms
Small Boat Yards and Boat Repair Shops

Metro and Independent Business Association '88-'89

- 4. Dry Cleaners' version of above brochures
 Washington State Dry Cleaners Association '90-'92
- 5. Indian Creek Watershed and You **Trout Unlimited '90-'92**
- 6. Sound Farming, a small farmer workshop
 King County WSU Cooperative Extension '88-'89
- 7. Adopt a Tree for a Greener Planet YMCA Earth Corps '88-'89
- 8. What Is a Watershed? City of Lake Stevens '88-'89
- 9. Brochure detailing sound methods for sewage, trash disposal and boat maintenance **Hood Canal Coordinating Council '88-'89**
- 10. An eight-page brochure on farm management practices
 Washington State Dairy Federation '88-'89
- 11. Brochures about each hazardous waste round-up Metro Center YMCA '88-'89
- 12. A brochure describing a self guided canoe trip through the Mercer slough City of Bellevue '88-'89

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

BROCHURES (continued)

	Bellevue Storm & Surface Water Utility '88-'89
13.	A brochure on the Stream Team program

- 14. A brochure describing the project **Tulalip Tribal Fisheries '88-'89**
- 15. Brochures mailed on a variety of water quality topics City of Lake Stevens '88-'89
- 16. A brochure outlining for developers what they can do to protect water quality City of Olympia '88-'89
- 17. A tri-fold brochure
 WSU Cooperative Extension/King County '88-'89
- 18. A brochure on the Lake Ballinger watershed **Pilchuck Audubon Society '88-'89**
- A brochure on May Creek
 Pilchuck Audubon Society '88-'89
- 20. Informational sheets for parents, describing the project goals and content **The Resource Institute '88-'89**
- 21. Brochures and store counter cards Communication NW Inc. '90-'91
- 22. Brochure on Rosario Beach Fathom That! Creations '90-'91
- 23. Community presentation & brochure-text in file Federal Way Water & Sewer District Citizens Advisory Committee '90-'91
- 24. Environmental protection career promotion brochures/includes watershed awareness **Nooksack Tribe '90-'91**
- 25. Black Jack Creek brochures City of Port Orchard '90-'91

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

BROCHURES (continued)

- 26. Brochures on disposal of paint products **Urban Wildlife Coalition '90-'91**
- Wetland water quality brochure (samples in file)WSU Cooperative Extension of King County '89-'91
- 28. Informational flyers on various aspects of gardening from the water quality angle WSU Cooperative Extension/King County '88-'89
- 29. Guide to utility rate reduction for Olympia area schools City of Olympia Department of Public Works '91-'93
- 30. Doorknob hangers with stormwater information Skagit Valley YMCA '91-'93
- 31. Hazardous waste disposal informational flyers—Port Townsend and Jefferson County **Port of Port Townsend '91-'93**
- 32. Self-guide pamphlets for field trips and field guide of watershed—Snake Lake and Chambers Creek focus (companions to a one-day field experience)

 Steilacoom Historical School District '92-'93
- 33. Information pamphlets on wetlands issues and questions Whatcom County Planning Department '91-'93
- 34. Brochures featuring Best Management Practices (BMP's) for protecting Dungeness River Watershed

 Clallam County Department of Community Development '93-'95
- 35. Brochures and fact sheets about water friendly car washes **Kitsap County Public Works Department '93-'95**
- 36. Shorelines Notebook
 Landscape: A Watershed Perspective
 Water Watchers of North Olympic Peninsula '93-'94

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

BROCHURES (continued)

- 37. Public information brochures translated for Southeast Asian community to communicate the link between water quality and safe seafood harvesting

 Citizens for a Healthy Bay '93-'94
- 38. Wetlands Network (WETNET) Citizens Report: Wetlands Protection in Puget Sound Seattle Audubon Society '93-'94
- 39. Brochure on effects of pollution on shellfish in Quilcene and Dabob Bays North Canal Shellfish Coalition '93-'94
- 40. 1,500 business fact sheet translated in five languages City of Bellevue Utilities Dept. '93-'94
- 41. "Health" Septic Tank Information Insert Clallam Co. Chapter of WOSSA '94-'95
- 42. "Water on Orcas Island: A Guide for Residents"

 Orcas Watershed Education Alliance '94-'95
- 43. "Think Green" Directories

 Phinney Neighborhood Association '94-'95
- 44. "Celebrate Western Washington Native Plants" brochures Washington Native Plant Society '95-'96
- 45. Skagit County Tidelands Threatened: *Spartina* **Swinomish Indian Tribal Community '95-'96**
- 46. "Native Neighborhoods" guide for restoration projects **People for Puget Sound '96-'97**
- 47. "Wild Water Jack's Guide for Livin' Along the Deschutes"

 Deschutes River Association '96-'97
- 48. Shoreview Park brochure City of Shoreline '98-'99
- 49. San Juan Stewardship Network brochure **Friends of the San Juans '98-'99**
- 50. On-site septic system maintenance brochure

 Seattle King County Department of Public Health '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

POSTERS

- 1. Water Quality Reference Poster

 Associated General Contractors '88-'89
- 2. Protect Wetlands
 San Juan Preservation Trust '88-'89
- 3. Help Protect Marine Mammals
 The Whale Museum '88-'89
- 4. Marine Debris—Get a Grip on It
 University of Washington's Sea Grant Program '88-'89
- Good Gardening Is Sound Gardening
 King County WSU Cooperative Extension '88-'89
- 6. Paint: Waste Reduction, Recycling, and Disposal Information **Urban Wildlife '90-'92** (pocket for brochures)
- 7. The Eelgrass Meadow
 Port Townsend Marine Science Center '90-'91
- 8. Recycle Your Oil (with pocket for decals)

 Communications Northwest, Inc. '89-'91
- 9. Warning Signs (Toxic Shellfish) in 5 Languages Nisqually Reach Nature Center '88-'89
- 10. A four-color poster on marine debris
 University of Washington Sea Grant Program '88-'89
- 11. A set of nine posters on proper handling of hazardous waste **Automotive Service Association of WA '88-'89**
- 12. "Whale Watch Guidelines"
 The Whale Museum '88-'89
- 13. University Place water quality poster map Serve Our University Place '88-'89

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

POSTERS (continued)

- 14. Informational poster for student use grades 6-8 **City of Issaquah '90-'91**
- Set of four posters featuring water quality values using and demonstrating environmentally safe products
 American Institute of Graphic Arts, Seattle Chapter '91-'93
- 16. Poster emphasizing wetlands preservation by land trusts **Capitol Land Trust '91-'93**
- 17. Best Management Practices for Boaters and Marinas **Puget Soundkeepers Alliance '93-'94**
- 18. "The Incredible Undersea Trial of Joseph P Lawnboy" **Harlequin Productions '93-'94**
- 19. "Water on Orcas Island: A Guide for Residents"
 Orcas Watershed Education Alliance '94-'95
- 20. Think Green Directory
 Phinney Neighborhood Association '94-'95
- 21. Poster to educate citizens about stormwater runoff 1000 Friends of Washington '95-'96
- 22. "Landscape for Wildlife"

 Jefferson Land Trust '95-'96
- 23. "Stormwater Runoff: What You Can Do" **1000 Friends of Washington '95-'96**

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

BOOKLETS AND INFORMATION

- Stream Team Guidebook (2nd edition)
 Bellevue Storm and Surface Water Utility '88-'89
- 2. Water in Whatcom County (A Watershed Guidebook)
 Whatcom Community College '88-'89 (reprint '90-'91)
- 3. The Night People—How the Beaver Came to Pass Lake **Meeting Ground '88-'89**
- 4. Cultivating a Water Ethic: Stories and Songs that Celebrate Living in a Watershed **Meeting Ground '88-'89**
- 5. Adopting a Wetland (A Northwest Handbook)
 Snohomish County Planning Department '88-'89
- 6. Waste Disposal & Erosion/Sediment Control Methods
 Associated General Contractors '88-'89
- 7. Safe Harvesting of Shellfish & Seaweeds: A Handbook for Refugee Center Staff Nisqually Reach Nature Center '88-'89
- 8. FARM (Farm Animal Resource Management)
 Washington State Dairymen's Federation '88-'89
- 9. Getting a Grip on Marine Debris at Squalicum Harbor
 Marine Debris: How Commercial Fishermen Can Help Solve a Growing Problem
 Marine Debris: How Recreational Boaters Can Help Solve a Serious Problem
 Plastic Marine Debris: What We Are Doing to Solve the Problem
 University of Washington Sea Grant Program '88-'89
- Getting a Grip on Marine Debris at Squalicum Harbor
 Washington Sea Grant '88-'89
- 11. Volunteer Resource Guide (a citizens' directory)

 Adopt a Beach '88-'89
- 12. Storytelling booklet from Sound Wisdom, program for grades 3-5 **Jana Dean '91-'93**

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

13.	Wisdom of the Ages (insert on tribes and the environment)
	Northwest Indian Fisheries Commission '90-'92

- 14. Puget Sound Recreational Divers Survey
 Underwater Society of the Pacific Northwest '90-'92
- 15. Let's Keep Our Shorelines Clean!
 Washington Sea Grant (reprint) '90-'92
- 16. From the Mountains to the Sea (A Guide to the Skagit River Watershed)

 North Cascades Institute '90-'92
- 17. Best Management Practices for Ship and Boat Building and Repair Yards **Puget Sound Shipbuilders Association '90-'92**
- Boater's Guide to Clean Water and Good Times
 Hood Canal Coordinating Council August 1988 & April 1989
- 19. The 1988 Puget Sound Recreational Boaters Survey Washington Public Ports Association '88-'89
- 20. The Adventures of Precop the Raindrop Metropolitan Park District of Tacoma (Snake Lake Nature Center) '88-'89
- 21. Boating in Hood Canal (Boater's Guide and Resource Map)

 Hood Canal Coordinating Council '88-'89
- 22. Stream Lines (three editions of the newsletter)

 Adopt-a-Stream Foundation '88-'89
- 23. Wetlands Watch newsletter
 Washington Environmental Council '88-'89
- 24. Octopress newsletter
 Port Townsend Marine Science Center (some editions) '88-'89
- 25. "How To Develop A Hazard-Free Community" Metro Center YMCA '88-'89

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

26.	Horse Waste and Land Management Manual
	WA State Horse Council '88-'89

- 27. Handbook on shellfish limits, seaweed harvest regulations and red tide warnings **Nisqually Reach Nature Center '88-'89**
- 28. "The Dragon of Tomanawos Rock" Wild Olympic Salmon '88-'89
- 29. The Puget Sound Sentinel, a tabloid Pierce County Department of Utilities '88-'89
- 30. Water in Whatcom County, A Watershed Guidebook Whatcom Community College '88-'89
- 31. A magazine article on the maintenance of septic tanks **Pilchuck Audubon Society '88-'89**
- 32. An article on the environmental impact of dumping toxic chemicals down storm drains & the penalties & fines that can be imposed

 Pilchuck Audubon Society '88-'89
- 33. Two water quality activity booklets for students **Meeting Ground '88-'89**
- 34. Construction industry water quality manual (Whatcom and Skagit Counties)

 Associated General Contractors '90-'91
- 35. Building industry manual on wetland & stormwater management

 Building Industry Association/Washington Association of Realtors '90-'91
- 36. 47 Success Stories in P.I.E. (available in PSWQAT library) **David Gordon '90-'91**
- 37. Puget Soundbook
 Marine Science Society '90-'91
- 38. Homeowners' guide—Storm drain stenciling

 Metropolitan Park District of Tacoma '90-'91

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

- 39. Guide book "Water Quality Swales"National Association of Industrial and Office Parks '90-'91
- 40. Stories From Evil Harbor, elementary student play **Theater In The Wild '90-'91**
- 41. Lay Field Guide
 WSU Cooperative Extension/King County '90-'91
- 42. Citizen Monitoring Guide **Envirovision '89-'91**
- 43. Sound Design, a guidebook on water quality awareness for the design community **American Institute of Graphic Arts, Seattle Chapter '91-'93**
- 44. Reprint of "Business Partners for Clean Water" workshop materials and manual City of Bellevue Storm and Surface Water Utility '91-'93
- 45. Guide on how to start a business partnership program
 City of Bellevue Storm and Surface Water Utility '91-'93
- 46. Notebook on nonpoint pollution causes for use with watershed tours **City of Blaine '91-'93**
- 47. Guidebook on wetland values and functions for developers
 National Association of Industrial and Office Parks '91-'93
- 48. Resource notebook and manual for boat yard owners NPDES general permit workshops

 Northwest Marine Trade Association '91-'93
- 49. Manual for operators/employees of metal recycling facilities

 Pacific Iron and Metal '91-'93
- 50. Training materials for citizen workshops on the NPDES program **People for Puget Sound '91-'93**
- 51. Resource notebooks/workbooks for citizens' wetlands education workshops (funded by EPA)

 Seattle Audubon Society '91-'93

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

- 52. Resource materials: Wetlands organizations resource guide, Wetlands bibliography Seattle Audubon Society '91-'93
- 53. Education information packets for septic pumpers and repairers (with training course)

 Thurston County Division of Environmental Health '91-'93
- Customer information kits on water quality protection for distribution by George Brazil Company (plumbers); (includes magnets, other visual aids)
 7th Avenue Creative & Marketing '91-'93
- 55. Soundwatch, an environmental guide for recreational boaters addressing water quality protection topics such as waste and sewage disposal 48 Degrees North '91-'93
- 56. Handbook on wetlands in Whatcom County field study tours **Whatcom County** Planning Department '91-'93
- 57. Training manuals for leaders involved in Superfund process Olympic View Environmental Review Council '93-'95
- 58. Community update resource guide for outreach program involving clean up of contaminated sediments and groundwater

 Olympic View Environmental Review Council '93-'95
- 59. Restoring An Urban Stream, a brochure addressing water monitoring and stream restoration **Seattle University '93-'95**
- 60. Seminar materials on Best Management Practices for Boaters and Marinas Boaters Guide **Puget Soundkeepers Alliance '93-'95**
- 61. Booklet explaining habitat protection, land conservation, and tax benefit programs **Vashon-Maury Island Land Trust '93-'95**
- 62. Technical Manual of Tools for Decision Makers

 Jamestown S'Klallam Tribe '93-'95
- 63. Technical manual featuring BMPs for grocery stores Larry's Markets '93-'95

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

- 64. Linking Land Use and Water Quality: How Development and Stormwater Runoff Affect
 Our Streams, Rivers, Bays and Lakes
 1000 Friends of Washington '95-'96
- 65. Booklets on the history of Shinglemill, Fisher, Ellis Creek Vashon Maury Island Land Trust '95-'96
- 66. O & M manual for community septic system **Edison Sewerage Committee '96-'97**
- 67. Workshop materials on "environmentally-sound horsekeeping practices" Alayne Blickle '98-'99
- 68. Protecting Dungeness River Watershed booklet

 Clallam County Department of Community Development '98-'99
- 69. San Juan Stewardship Network Resource Directory Friends of the San Juans '98-'99
- 70. Instructional booklet to accompany the "Salmonid Spawning Gravel Composition Survey" video for stream habitat monitoring

 NW Natural Resources Technology Consortium at Gray's Harbor College '98-'99
- 71. Five on-site septic system operation and maintenance manuals for King County homeowners; individual manual for gravity, pressure distribution, sand filter, mound and sand filter/mound systems. Made available on diskette to certified designers for inclusion in their system "as-built" packages
 - Seattle King County Department of Public Health '98-'99
- 72. Notebook for homeowners about on-site septic system operation and maintenance **Tech Assist Plus '98-'99**
- 73. "Streamside Livin' Guide' for homeowners
 "Thurston County Water and Waste Management '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

NEWSLETTERS

- 1. Three issues of the newsletter Streamlines **Adopt-A-Stream Foundation '88-'89**
- 2. Three issues of a newsletter San Juan Preservation Trust '88-'89
- 3. A newsletter called "Newsplash"

 Bellevue Storm & Surface Water Utility '88-'89
- 4. Informal monthly newsletters to volunteers **Tulalip Tribal Fisheries '88-'89**
- 5. Four issues of a newsletter Lake Marcel Community Club '88-'89
- 6. Wetlands watch newsletter

VIDEOS

The Outreach Video List no longer indicates the PIE videos and does not list the PIE Contractor. Therefore, this list includes those videos already in the library as well as those being transferred to the library.

- A. PIE-Produced Videos Currently in Library
- 1. "Heritage at Risk," 1991. North Pacific Film and Tape. (27 minutes)
- "Moon's Prayer," 1990-91.
 Northwest Indian Fisheries Commission (with KIRO) (50 minutes)
- Horse Waste and Land Management, 1988.
 Washington State Horse Council. (15 minutes, 30 seconds)
- "Understanding and Maintaining Your On-Site Sewage Treatment and Disposal System," 1991.
 Mason County Office of Water Quality (15 minutes)
- 5. **Washington State Dairymen's Federation** video for peer education: animal waste management and water quality. 1988. (14 minutes)
- 6. "What Is Water Quality?" 1991. **City of Issaquah** (with local students; Heron Cove Production) (20 minutes)
- 7. The Hood Canal Wetlands Project, 1990-91.

 Mary E. Theler Community Center (15 minutes)
- 8. "Water Quality Swales," 1991. **National Association of Industrial and Office Parks** (Coldiron Productions) (10 minutes)
- 9. "Shining Water: Caring for Puget Sound," 1990.

 Pacific Marine Research
- 10. "Clean Water, Streams, and Fish," 1990. **Pure Sound Society** (40 minutes)
- 11. "Wetland Wonders," 1990.

 Snake Lake Nature Center
- 12. **Collins Elementary School PTA** Wetland Project, 1990-91.

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

VIDEOS (continued)

- 13. "Professional On-Site Sewage System Maintenance," 1992.

 Thurston County Division of Environmental Health
- 14. WAVES video (Water and Vashon's Eco Systems), 1989.
- 15. "Water Quality in Puget Sound," (12 minutes, 30 seconds)

 Pacific Oyster Growers' Association '90-'91
- 16. Videos of six separate workshops that were held **Bellevue Storm & Surface Water Utility '88-'89**
- 17. Videos demonstrating testing techniques
 Green River Community College '88-'89
- 18. Video on the community's efforts to restore Lake Stevens City of Lake Stevens '88-'89
- 19. "Water in Whatcom, What About Tomorrow" (30 minutes) Whatcom Community College '88-'89
- 20. Interactive video (county fair exhibit) "We All Eat Fish" Central Washington University.'90-'91
- 21. A five-minute video on how stores can encourage recycling Communication NW Inc. '90-'91
- Public information video involving students
 Fed Way Water & Sewer District Citizens Advisory Committee '90-'91
- 23. "Indian Creek Watershed" Trout Unlimited '90-'91
- 24. Video on Clover/Chambers Creek Drainage Basin and Puget Sound, produced for high school students and Boise Cascade employees, 1992-93. Steilacoom Historical School District in partnership with Boise Cascade and Snake Lake Nature Center Foundation.
- 25. Video documenting the water quality education program for a group of 8th grade minority girls, 1992-93. **Seattle University.**

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

VIDEOS (continued)

- 26. Educational video on septic systems and their impacts on water quality and human health, 1992-93. **Snohomish Health District** with Thurston County Division of Environmental Health.
- 27. Public Service Announcements regarding water quality issues Friends of the Forest '93-'95
- 28. Educational video on the effects of pollution on shellfish in Quilcene and Dabob Bay North Canal Shellfish Coalition '93-'94
- 29. Elementary School Field Trip/Olalla Creek **Olalla Grange '94-'95**
- 30. "Clear Water, Clear Choices—Action for Puget Sound"
 One Bounce Productions '94-'95
- 31. "Salmonid Spawning Gravel Composition Survey" training video for stream habitat monitoring projects.
 - NW Natural Resources Technology Consortium at Grays Harbor College '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

TRANSLATED MATERIALS

- 1. Brochures for ethnic Asian groups explaining the links between personal action, water quality and seafood contamination.
 - Citizens for a Healthy Bay '93-'94
- 2. Informational fact sheet on surface water management BMPs and KCSWM Businesses for Clean Water program translated into six languages. Multi-lingual storm drain stencils.
 - King County Surface Water Management '95-'96
- 3. Informational fact sheet on *Spartina* translated into Spanish **Swinomish Indian Tribal Community '95-'96**

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

BUTTONS

- 1. WIN with the Washington Information Network Washington Environmental Council '88-'89
- Go Ahead, Ask Me. I Speak Sound.
 Join Me Please. Upholding a Sound Way of Life.
 Meeting Ground '88-'89
- 3. Ask Me About Bay Watchers
 WSU Cooperative Extension/Clallam County '88-'89
- 4. Good Gardening is Sound Gardening
 WSU Cooperative Extension/King County '88-'89
- 5. Business for Clean Water buttons
 Clallam County Department of Community Development '93-'95

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

MODEL DOCUMENTS

1. Model contract for governments and processing companies responsible for collection sites

Metrocenter YMCA '88-'89

- 2. Model conservation easement language for wetlands protection Capitol Land Trust '91-'93
- 3. Environmental education guide—implementing the Environmental Education Resolution

North Cascades Institute '91-'93

4. Kennedy Creek Management Committee Memorandum of Understanding South Puget Sound Salmon Enhancement Group '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

OTHER

1.	Puvallun High School '88-'89
1	Gott Drain Trainer (to hold auto oil disposal

- 2. Bumper Stickers advertising collection sites for used oil **Puvallup High School '88-'89**
- 3. A model contract for governments and processing companies responsible for collection sites Metro Center YMCA '88-'89
- 4. Puget Sound promoter pledge cards
 Pierce County Department of Utilities '88-'89
- 5. Puget Sound promoter patches
 Pierce County Department of Utilities '88-'89
- 6. A small bulkhead sticker
 University of WA Sea Grant Program '88
- 7. Stickers for companies selling oil to individuals **Communication NW Inc. '90-'91**
- 8. Containers for recycled oil Communication NW Inc. '90-'91
- Portable pump out units for marinas
 NW Yacht Brokers Association '90-'91
- 10. Clean/Boating Clean/Water
 Puget Soundkeeper Alliance '95-'96
- 11. Game: Tracking the T-Bird Community Wild Olympia Salmon '90-'91
- 12. Community Games
 Tracking the Dragon, A community Game (the hydrological cycle of East Jefferson County)
 Wild Olympia Salmon '90-'91
- 13. Tracking The Wild Thunderbird, A Community Game (the hydrological cycle of Kitsap County) **Kitsap County** (Department of Community Development) **'91-'93**

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

OTHER (continued)

14.	Watershed Trading Cards
	Wild Olympia Salmon '90-'91

- 15. Backyard Bingo—water quality game for summer day camp City of Olympia Department of Public Works '91-'93
- 16. Window decal for marine mammals and water quality **The Whale Museum '88-'89**
- 17. Business for Clean Water window stickers

 Clallam County Department of Community Development '93-'95
- 18. The Salmon Challenge (MAC disks)
 The Salmon Challenge—Script
 King County Department of METRO Services '94-'95
- 19. Demonstration farms to showcase "environmentally-sound horsekeeping practices" **Alayne Blickle '98-'99**
- 20. Assemble a McNeil spawning gravel sampler and volumetric processing station, available on loan, for use with the training video and instructional booklet
 NW Natural Resources Consortium at Gray's Harbor Community College '98-'99
- 21. Process for naming a stream
 Puget Sound Restoration Fund '98-'99
- 22. On-site septic system operation and maintenance manuals for King County homeowners made available on diskette to certified designers for inclusion in their system "as-built" packages Seattle King County Department of Public Health '98-'99
- 23. Salmon information on white board with magnet for refrigerator **South Sound GREEN '98-'99**
- 24. "Sound Stewards" baseball caps South Sound YMCA '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

MAPS

- 1. A resource map of recreational areas and sensitive spots in Hood Canal **Hood Canal Coordinating Council '88-'89**
- 2. A map of sampling point on the Stillaguamish **Tulalip Tribal Fisheries '88-'89**
- 3. University Place water quality poster map Serve Our University Place '88-'89
- 4. A watershed model Wild Olympia Salmon '88-'89
- 5. Wetland maps for area in northern Kitsap County Greater Hansville Chamber of Commerce '91-'93
- 6. Clear Creek Corridor
 Clear Creek Task Force '96-'97
- 7. Shoreview Park Master Trail Plan map City of Shoreline '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

REPORTS

- 1. A report of the Recreational Boaters Survey Washington Public Ports Association '88-'89
- 2. A report on local land use laws; A bibliography of wetlands information Washington Environmental Council & Puget Sound Alliance '88-'89
- 3. A data sheet with survey results, maps & facts about the creeks & the watershed City of Olympia '88-'89
- 4. Recreational divers survey
 Under Water Society of Pacific Northwest '90-'91
- 5. Informational sheets on various aspects of gardening from the water quality angle WSU Cooperative Extension/King County '88-'89
- 6. Two case studies on land trusts working in partnership with federal and local governments **Capitol Land Trust '91-'93**
- 7. Wetlands inventory by volunteers on selected waters in Kitsap County Greater Hansville Chamber of Commerce '91-'93
- 8. 15 management plans for Dyes Inlet **Kitsap Conservation District '93-'95**
- 9. Eleven Clean Water Plans completed by various Chambers of Commerce and businesses Clallam County Department of Community Development '93-'95
- 10. Spartina Survey of Tulalip Bay
 Tulalip Tribes of Washington '96-'97
- 11. Ship Harbor Interpretive Preserve Final Trail Plan plus wetland delineation and volunteer monitoring data of flora and fauna in the preserve

 Anacortes Parks Foundation '98-'99
- 12. Shoreview Park Master Trail Plan monitoring report City of Shoreline '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

REPORTS, continued

- 13. Dungeness Bay Watchers' marine water sampling report

 Clallam County Department of Community Development '98-'99
- 14. Shinglemill Creek monitoring report Fall 1999 Vashon Maury Island Land Trust '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

SLIDE SHOWS

1.	A slide show for presentation at refugees' workshops
	Nisqually Reach Nature Center '88-'89

- 2. A slide show depicting island wetlands San Juan Preservation Trust '88-'89
- 3. A slide presentation for recruiting volunteers **Tulalip Tribal Fisheries '88-'89**
- 4. A slide show emphasizing the individual's responsibility for water quality **North Mason Chamber of Commerce '88-'89**
- A slide/tape presentation depicting historical & contemporary uses of Puget Sound by the tribe
 Squaxin Island Indian Tribe '88-'89
- 6. A slide illustrated lecture
 WSU Cooperative Extension/King County
- 7. A slide show to introduce the program to the students

 The Resource Institute '88-'89
- 8. Slide show—"Sedimental Journey": product w/contractor City of Bremerton '90-'91
- 9. Slide collection
 Under Water Society of Pacific Northwest '90-'91
- 10. Slide presentation for recruiting volunteers **Adopt a Beach '88-'89**
- 11. Slide presentation with State of the Dungeness exhibit **Jamestown S'Klallam Tribe '91-'93**
- 12. Slide show on wetland values and functions

 National Association of Industrial and Office Parks '91-'93
- 13. Slide show on links between water quality and safe seafood harvesting Citizens for a Healthy Bay '93-'94

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

SLIDE SHOWS (continued)

- 14. Slides of Green/Duwamish Watershed
 Green/Duwamish Watershed Alliance '94-'95
- 15. 30-minute slide show on land uses and water quality linkages 1000 Friends of Washington '95-'96
- 16. Slide show on environmentally safe horsekeeping practices **Alayne Blickle '98-'99**
- 17. Riparian restoration techniques—slide show for community groups and student groups

 Nooksack Salmon Enhancement Association '98-'99

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

SIGNS

- Interpretive Signs in porcelain enamel at 15 marinas, private and public boat launches
 Hood Canal Coordinating Council '88-'89
 Quartermaster Harbor Alliance '89-'91
 Port of Port Townsend '91-'93
- 2. Explaining water quality issues along the trail in Bellefields Nature Park City of Bellevue '88-'89
- 3. Wetland Alcove w/signage
 Woodland Park Zoological Society '88-'89
- 4. A window decal

 The Whale Museum '88-'89
- 5. Road signs declaring "This is a Clean Water Community" **Pierce County Department of Utilities '88-'89**
- 6. Signs along a creek promoting clean water practices
 City of Lake Stevens '88-'89
- 7. Creek location signs
 City of Olympia '88-'89
- 8. Salmon crossing signs Snohomish County '88-'89
- 9. Signs advertising where to report grading & drainage violations **Snohomish County '88-'89**
- Interpretive signs related to contaminated sediments in Sinclair Inlet (installed at Bremerton waterfront)City of Bremerton '90-'91
- 11. Watershed boundary signs (for watershed fair event)

 Metropolitan Park District of Tacoma '90-'91
- 12. Discovery Tour signs customized to guide tour sites **Puget Sounders '90-'91**

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

SIGNS (continued)

- 13. Interpretive sign displays (four) on the Clover/Chambers Creek watershed and Snake Lake **Steilacoom Historical School District '91-'93**
- 14. Two large three-panel enamel signs with water quality information about Blackman Lake Friends of Black Lake '94-'95
- 15. Plant identification, interpretive Signs at Lincoln Creek & Whatcom Water Estuary **Home Port Learning Center '95-'96**
- 16. Interpretive markers/self-guided tour through the Blue Mountain Demonstration Forest Blue Mountain Demonstration Forest '95-'96
- 17. Pipers Creek interpretive signs

 Pacific Crest Schools '96-'97
- 18. Anderson Creek interpretive signs
 Association to Protect Anderson Creek '96-'97
- Demonstration farm signs to showcase farms implementing environmentally-sound horsekeeping practices
 Alayne Blickle '98-'99
- 20. Porcelain enamel interpretive sign at Froggy Bottoms Wetland City of Port Townsend '98-'99
- 21. Shoreview Park Kiosk with interpretive sign and trail map City of Shoreline '98-'99
- 22. Interpretive signs at Mee Kwa Mooks Park—habitat restoration and history of the area **Pathfinder Elementary School PTSA '98-'99**

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

EXHIBITS/DISPLAYS

- 1. A 25-foot long fiberglass model of a salmon; Watershed trading cards Wild Olympic Salmon '88-'89
- 2. Soundwatch—A traveling exhibit The Whale Museum '88-'89
- 3. A project activities display at the Marine Science Center at Fort Worden **Port Townsend Marine Science Center '88-'89**
- 4. A water quality resource center at the Timberland Regional Library

 North Mason Chamber of Commerce '88-'89
- Five display boards on farm management practices, maintenance of septic tanks & the effects of nonpoint pollution on salmon runs
 Lake Marcel community Club '88-'89
- 6. A display for fairs & festivals & other public spaces City of Olympia '88-'89
- 7. A mobile display board depicting past & present Squaxin Fisheries Squaxin Island Indian Tribe '88-'89
- 8. Mobile water quality fair booth **Snohomish County '88-'89**
- 9. A water quality exhibit for the Jefferson County Fair **Jefferson County Planning & Bldg Dept. '88-'89**
- 10. County fair exhibit (w/interactive video), "We All Eat Fish". photos on file **Central Washington University '90-'91**
- 11. Interpretive display at Rosario Beach Fathom That! Creations '90-'91
- 12. Information display panel re: Proposed No Puget Sound Natl. Marine Sanctuary Friends of the San Juans '90-'91

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

EXHIBITS/DISPLAYS (continued)

13. Travelling water quality exhibit w/slide show & video presentations (exhibit at Pt. Defiance)

Pacific Coast Oyster Growers '90-'91

- 14. Construction & stocking of Eelgrass Aquarium
 Port Townsend Marine Science Center '90-'91
- 15. Discovery Tour exhibits **Puget Sounders '90-'91**
- 16. Wetlands booth at San Juan County Fair San Juan Preservation Trust '88-'89
- 17. Water quality learning center at Greywolf School Clallam County, Department of Community Development '91-'93
- The State of Dungeness—a three-media exhibit (brochures, poster-mural story display, slide program)
 Jamestown S'Klallam Tribe '91-'93
- 19. Transboundary mobile interpretive center on water quality in Boundary Bay **Point Roberts Heron Preservation Committee '91-'93**
- 20. Portable display about the benefits of using barley as a cover crop Western Washington University '93-'95
- 21. "Bottom of the Story" exhibit that is hands-on and deals with water quality and sediments in Liberty Bay

Marine Science Society of Pacific Northwest '93-'95

22. Portable display on effects of pollution on shellfish growing North Canal Shellfish Coalition '93-'94

LIST OF PIE PROJECTS BY CATEGORY (ROUNDS 1 THROUGH 11—1987-1999)

INTERACTIVE CD-ROMS/WEB PAGES

- 1. "Water You Doing" interactive CD-ROM
 Seattle Drainage and Wastewater Utility '96
- 2. Web-page on practical solutions to reduce storm water pollution http://www.blarg.net/~adonovan/waterq.htm 1000 Friends of Washington '95-'96
- 3. Web-page for sharing water quality data and information **Bainbridge Island School District '96-'97**
- "Citizen Shoreline Atlas" for volunteer monitoring data developed for People for Puget Sound's web site
 Adopt a Beach '98-'99
- 5. Web-page on environmentally-sound horse keeping practices and schedule of training events **Alayne Blickle '98-'99**
- 6. Information about student's habitat restoration efforts at Mee Kwa Mooks Park on Pathfinder Elementary School's web site

 Pathfinder Elementary School PTSA '98-'99
- 7. Water Web page on RE Sources web site **RE Sources '98-'99**
- 8. "Streamside Livin' Guide" on Thurston County's web site
 Thurston County Water and Waste Management '98-'99
